

[Eagle Eye Power Solutions](#) for Immediate Release

SG-ULTRA MAX Digital Hydrometer

Lightweight hydrometer with comprehensive user-friendly design

Milwaukee, Wisconsin –October 21, 2010 – (Battery Testing Solutions Company), [Eagle Eye Power Solutions](#) (EEPS) providing density measurements on the move! The SG-Ultra Max is the newest generation of Eagle Eye portable density meters, using the oscillating U-tube technology. [SG-Ultra Max](#) measures the density and density- related values of your sample and shows the measuring results within seconds on the large display, ready for storage, printout or export to a PC.

The [SG-ULTRA Max](#) is used in a number of different industries, such as food & beverage, pharmacy & chemistry, electrical engineering & electronics, environmental, petro chemistry, battery testing & general quality control. Our customers use the [SG-ULTRA MAX](#) to test Density, Density @ reference temperature, Specific Gravity (SG), Alcohol % v/v, Alcohol % w/w, Alcohol US (°Proof), API Gravity, API SG, API Density, °Baumé, H₂SO₄ % w/w, H₂SO₄ @ 20 °C, °Brix, Extract (°Plato), with five programmable custom functions

Why Is The [SG-ULTRA MAX](#) Used By So Many?

The SG-ULTRA MAX is accurate (99.999%), Fast (5x faster than conventional methods), offers Wireless Communication (I.R. transfer to PC or printer), is Robust (leak proof housing), is Versatile (stores 1024 w/ 100 sample names), is Efficient (lightweight with large display) and much more!

[Eagle Eye Power Solutions](#) works to ensure every employee and representative of our company is properly trained to understand our products and our core values. Our response time and customer support is always the priority. From the initial contact with the customer, through the education & sales process and continuing with post-sales support – we are there for our customers every step of the way! At EEPS we focus on building long-term, mutually beneficial relationships (“lifetime customers”). We always encourage customer feedback regarding ways that we can improve our products and support to better fit our customer’s needs.

EEPS is your #1 source for Resistance Testers, Digital Hydrometers, Battery Monitoring and Load Banks.
